My name is Mike Wilcox and I am running for Honolulu City Council, 6th District seat. I am a graduate of Roosevelt High School, Class of 1979 and attended Kapiolani Community College. I have lived in the district for over 35 years. I am a partner in a small family owned business, Recorded Media Services, and have worked as a Recording Engineer in the Music Industry for over 20 years. I have numerous album credits for Audio Mastering and Manufacturing. I have worked with some of Hawaii's most noted Music Entertainers over the years.

I bring no political baggage or skeletons in my closet. I'm honest, accountable, and hard working, with common sense.

My hobbies include Auto Racing and Motorcycles. I am a past Shifter Kart Champion in the state and currently own a Dirt Track Stock Car. I am concerned about the lost of Hawaii Raceway Park and keeping racing off our streets and highways. I am a member of S.O.R.T. (Save Oahu's Race Tracks), a groups who's mission is to find away to keep motorists activity in safe environment and not on Honolulu's roads.

I am also concerned about Oahu's increasing trash problems. Honolulu's growing traffic problems and Mass Transit solutions. Crime in our neighborhoods, and the city's crumbling infrastructure of sewers and roads are some of the many things that need to be address now. As your Council Member, I will work hard for the citizens of Honolulu.
